

Shadowplay is the first compilation of Mark Wilkinson's best artwork, taken from a thirty year career during which he has created iconic album covers and concert posters for some of the top rock bands in the music industry including Marillion, Fish, Judas Priest, Iron Maiden and The Darkness. He has also illustrated numerous book covers, postage stamps and created art for Judge Dredd, as well as for the cult BBC TV series Red Dwarf.

"Highly memorable and evocative artwork. One of the true greats of album sleeve artists." - Fish
